

# \* The Ballogletti Manifesto \*

--- Fragment 03 / 137 ---

Ballogletti is not a name.

It's a state of mind.

A moment between color and silence.

This is not a painting.

It's a fragment of a larger truth.

You are not a viewer.

You are a participant in the unraveling.

*You are not the viewer. You are part of the unraveling.*
